Drove in today and there are 2 "Visitor information" signs – one saying to tune into 1620 and the other saying 1610. I get nothing but static when I tune into either station. Time to have PBID put in a request to have Caltrans take down the signs?

It was something Steve Robbins managed.

Hi Lorena and Jonathan,

Port police mentioned at a recent meeting that when exiting on Harbor Blvd from the i110 or sr47 there are a few signs that list an AM radio station where you tune into local news. They would like to update the message to talk about the Harbor Blvd roadway improvements and detours. We noticed that there are a few of signs indicating both 1610 and 1620. Is one for the PBID and one for the Iowa? Please let me know if we can get this updated?

Thanks,
Augie
